An Oil City, Wilson, Town Lots Offered at Auction

A town lot proposition that is attracting far more than the usual attention, is that at Wilson, the oil center at the western terminus of the Oklahoma, New Mexico & Pacific Railroad (Ringling Road).

Wilson has had a wonderful growth, being now only sixty days old but having a population of 1500. The building of this new railroad westward and the discovery and rapid development of the Wilson-Healdton oil field together with inexhaustible supplies of natural gas, have caused Wilson to go forward at a surprising rate.

The town lot sale, 600 lots being on the market, will take place on March 5, 6 and 7 (three days) with Col. John B. Queen of Perry as auctioneer.

Wilson is in the western portion of Carter County, near where the counties of Carter, Jefferson and Stephens join, and in the center of a wonderfully productive agricultural and live stock country. There are untouched riches, in fact, all around and under Wilson.

The natural gas possibilities are beyond comprehension. Cheap natural gas means factories and allied industries, and the big oil field means refineries, and Wilson is bound to win. Nothing can prevent it.

The same conditions that made Tulsa, Beaumont and Wichita Falls are Wilson's and even more so for Wilson has no opposition. It is the only Wilson-Healdton oil town.

All the 600 lots are to be sold at the purchaser's own price, absolutely none to be reserved. The conditions are 30 per cent down and the remainder in 10 per cent monthly payments.

The sale pavilion will be located on the lots, and rain or shine the sale will be held.

Free every day, also, will be given away two choice residence lots, and each person attending the sale will have an opportunity to draw these. Tickets will be given each morning to all comers and the lucky number gets the lots.

This is an opportunity to get in home or a business site in the fastest growing city in the southwest, and one that is bound to become an important industrial and agricultural center. The soil around Wilson grows a bale of cotton to the acre and the farms are teeming with cattle and hogs.

This is a business opportunity, of the brand that pays. For these three days, March 5, 6 and 7, the Oklahoma & Pacific Railway (Ringling Road) will sell a round trip ticket for one fare.

Jake L. Hamon is the owner of the townsite, Frank L. Ketch is manager and John B. Queen, auctioneer.

Remember, buy your tickets via Ardmore, to Wilson.

Really Good Manners! What then are good manners? Simply a fine and always thoughtful consideration for the feelings and comfort of others; polite and kindly address to "inferiors" as to equals or "superiors," gracefulness, which is also grace, under all circumstances; and with women especially, no matter whether in drawing room or office, that "low, soft voice," which Shakespeare declares to be "an excellent thing in women."
